*Virtual Family Resource Center*

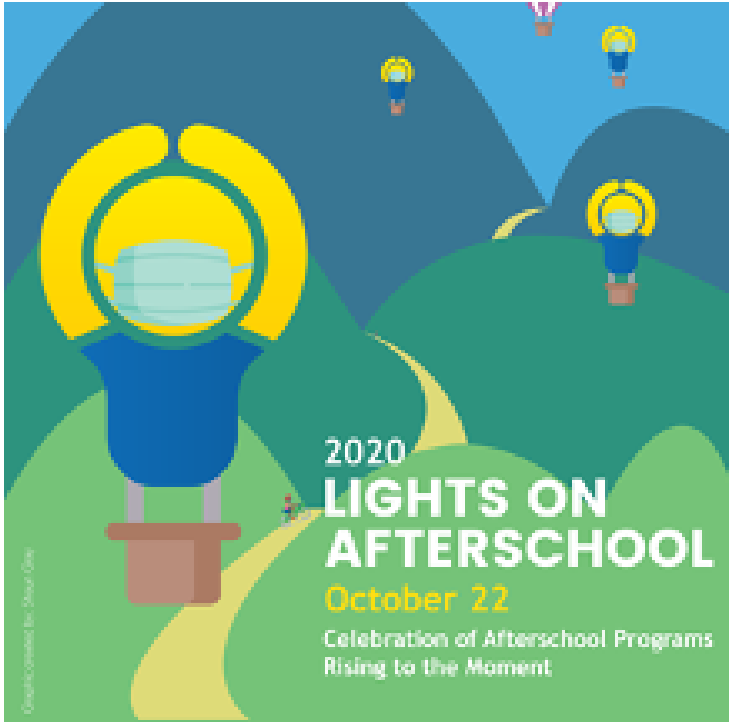

The Coronavirus Pandemic has brought with it a lot of uncertainty and many changes. The Virtual Family. Resource Center is an online support service, staffed by volunteers from community agencies and schools across Wayne County, to help families navigate the challenges faced in these unparalleled times. Whether someone has questions about technology, is looking for advice on how to help a child with their homework, or is just feeling overwhelmed, we are here to listen and assist. The VFRC is currently open Tuesday Thursday, from 4-7pm. To log on, visit [waynemoat.org](http://waynemoat.org) and click on Virtual Resources.

# 21 Years of Lights On Afterschool

We're proud to join communities all across America to celebrate the 21 years of Lights On Afterschool! This year's Lights On Afterschool celebration will look and feel different, but that won't stop us from having the brightest celebration yet!

Afterschool programs have risen to the moment to provide critical supports for youth and families during the pandemic — from innovative virtual programming to meals to caring for children of essential workers to wellbeing check-ins. We need to celebrate and recognize their efforts, and call attention to the importance of afterschool supports in the school year ahead.

**Help us make the 21st annual *Lights On Afterschool* the biggest celebration yet!**

## *Virtual Homework Help*

The Virtual Homework Help Center started on September 23rd, 2020. Please visit the link or QR Code below to learn more about it.

SCAN ME

The Wayne County Partnership for Strengthening Families and Wayne M.O.S.T. are happy to announce the launch of the first of our virtual enrichment events. We are operating a dedicated Minecraft server exclusively for students in Wayne County, grades 6 through 12. The intention is for our students to have fun while connecting with current friends and making new ones. The server will be monitored to ensure that all participants are behaving appropriately while online.

# 4-H “Bummer of a Summer”

The 4-H project showcase brought together Wayne County youth to highlight and showcase their hard work despite the pandemic. The 4-H members showcased spent many hours learning new skills and applying them to their exhibits throughout the year. The exhibits were evaluated by a judge - a process that improves the youth's public speaking ability and also gains them valuable feedback that can be applied to their project area moving forward. Exhibits included animals (rabbit, cavy, poultry, horse, dairy, and goat) and static exhibits (communications and expressive arts, STEM, fine arts and crafts, textiles, home environment, visual arts and photography, and horticulture).

Strong Museum of Play Exhibit

Static exhibits were displayed around Wayne County at partnering businesses and organizations (Strengthening our Area Residents in Clyde, The Ohmann Theater in Lyons, FLX Community Schools in Sodus, Williamson Public Library, The James Sullivan Agency in Marion, Books Etc in Macedon and the Newark-Arcadia Historical Society & Museum). One static exhibitor from each participant was also featured in a display at the Strong Museum of Play in Rochester! The showcase was well received and 30% of the total exhibitors from last year's Wayne County Fair participated.

NEW YORK STATE  
NETWORK FOR  
YOUTH SUCCESS

The Network for Youth Success supports all programs that promote young people’s intellectual, social, emotional, and physical development outside the traditional school day. These programs include those that serve youth in kindergarten through 12th grade, take place in schools and/or in community-based settings, and occur before and after school, during weekends, holidays, and summer breaks, or during the school day through partnerships with community organizations.

THE  
COMMUNITY  
FOUNDATION

*WAYNE COUNTY  
COMMUNITY SCHOOLS FUND*

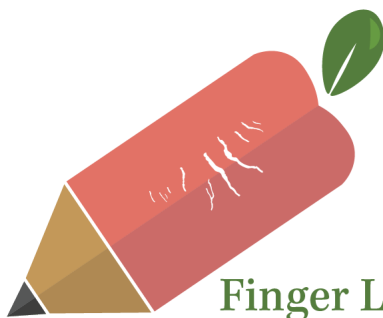

The Wayne County Community Schools Fund has been created to support the efforts of Wayne County Community Schools. Wayne County Community Schools works within all eleven county school districts, as well as with community partners to provide positive social, emotional, physical, and academic growth for all of our students.

Finger Lakes  
COMMUNITY SCHOOLS

Support the development of culturally-responsive, trauma-informed community schools that have the capacity to deliver a continuum of evidence-based and restorative practices organized using multi-tiered systems of supports.

The Wayne County Partnership for Strengthening Families is a consortium of more than forty agencies, organizations, and school districts in and around Wayne County that provide valuable services to help, coach, and uplift individuals and families in order to empower them to be their best selves.
